---

Meeting began at 7:02p

#### **I.        Announcements**

No announcements made.

#### **II.      Discussion / Action Items (as highlighted)**

Mark Stewart provided a summary of the treasury status – currently \$3983.

Reviewed e-mail from Sylvia Tillman from the Building Committee regarding the City's new policy on approving building permits. Other neighborhoods in Dearborn are taking much longer than 3-5 days to review a homeowner's building plans and the City will now approve the plans without our approval. If the neighborhood association doesn't respond quickly to requests for plan reviews, the city will send a letter to the neighborhood president and tell them that they have 30 days to act on the issue or forfeit the review.

Leon advised the board that we need a volunteer to take over the tent rentals.

Mike advised that there are three reservations for a tent so far this season

Leon advised that we need an update from the welcoming committee for new neighbors for the meeting next week.

Edison street sale is June 2<sup>nd</sup> with the rain date of June 3<sup>rd</sup>. Leon to ask Teresa for the Rushman's contact information to see about setting up the district tent in their front yard. Leon to make a sign up sheet for the street sale.

The spring clean up and flower planting will be Saturday, May 12<sup>th</sup>. Mike and Leon will rototill the beds prior to Mike moving to Traverse City.

Mike announced that three spaces were up for election – Patrick Karasinski, Mike Assenmacher, and Teresa Klimkiewicz.

Leon will prepare and distribute the District meeting agenda about 1 week before the meeting to board members.

The next FHHD Officers Meeting is tentatively scheduled for Thursday, May 10th at 7:30p, and will be held at Leon's house.

No other new business. Meeting adjourned at 7:54p.
